Dear Jean;

From all of our Site to you, we would like to thank you from the bottom of our hearts for all of the generosity extended to our organization. We appreciate the donation of Christmas gifts and \$10. We know how much it takes to collect and coordinate a toy drive such as yours, and we appreciate your time and effort in doing this for our organization. Donations such as these help us give the children in our care a better life. These gifts will be distributed to all youth at our site here in Central Florida.

We value greatly your thoughtfulness and the fact you support Girls and Boys Town and our dream to revolutionize youth care in America. It is our mission to change the way America cares for her children and families. Thank you again!

Yours very truly,

Mary Kate O'Leary, MA  
Site Director
